

WHY PLANT?

suggestions or ideas
grass or trees or flowers
clues or evidence
onions or alfalfa
money or investments
beliefs or convictions

No reward for the REAPER
without sweat from the SOWER

* This reality is no different for
the spiritual realm life ... seed,
sower, soil

ETERNAL life

* There can be no greater
reason or reward.

ABUNDANT life

* We want to see **hearts filled**
with freedom, gladness, hope,
and power!

ONE life

* Our witness is crucial because we do not want to see people die in their sins.

MY life

* I am able to **impress** and **influence** people that **no one** **else** can.

WHY PLANT?
