SMELL!

ANCIENT VICTORY PROCESSION (II Corinthians 2:14-16)

PARADE ... politicians > prisoners > priests > commander > soldiers
(_____ and _____)

PLATFORM ... Emperor sitting on the dais to review (_____,
_____, and _____)

PARADOX ... to the captives and the soldiers, the sweet smell of flowers
and perfume signified **opposite** destiny (_____ vs. _____)

POWERFUL WORD PICTURE

- Through the message, testimony, and influence of Christians, the presence and power of Christ permeates the culture as surely as a _____ permeates its _____. Like a shot of Febreze to a putrid smell, the aroma of Christ _____ the rotten smell of _____.
- This fragrance of Christ, spread by his disciples, ascends even to ______. As we bless the world with the love and teaching of Christ, we also _____ God. Every Christian deed leaves behind a _____, the fragrance of Christ. The Lord does _____ one molecule. He knows! (*Matt. 6:6, 25:37-40*)
- Response to the Christian influence will always be either a surge of _____/_____ or _____/_____. Like an antiseptic used to clean a hospital room or kill bacteria, the "smell" of Christ is distinct. Some will associate it with _____ and some with _____.

For 32 years, my father ran an exterminating company. That may explain why our family always associated the smell of roach spray with love.

Chuck Schumer

The smell of carpet in a hotel room is the same everywhere.

Linda Ronstadt

Babies seem to be nauseated by the smell of a clean shirt.

Jeff Foxworthy
