

**I Can Make a Difference!**

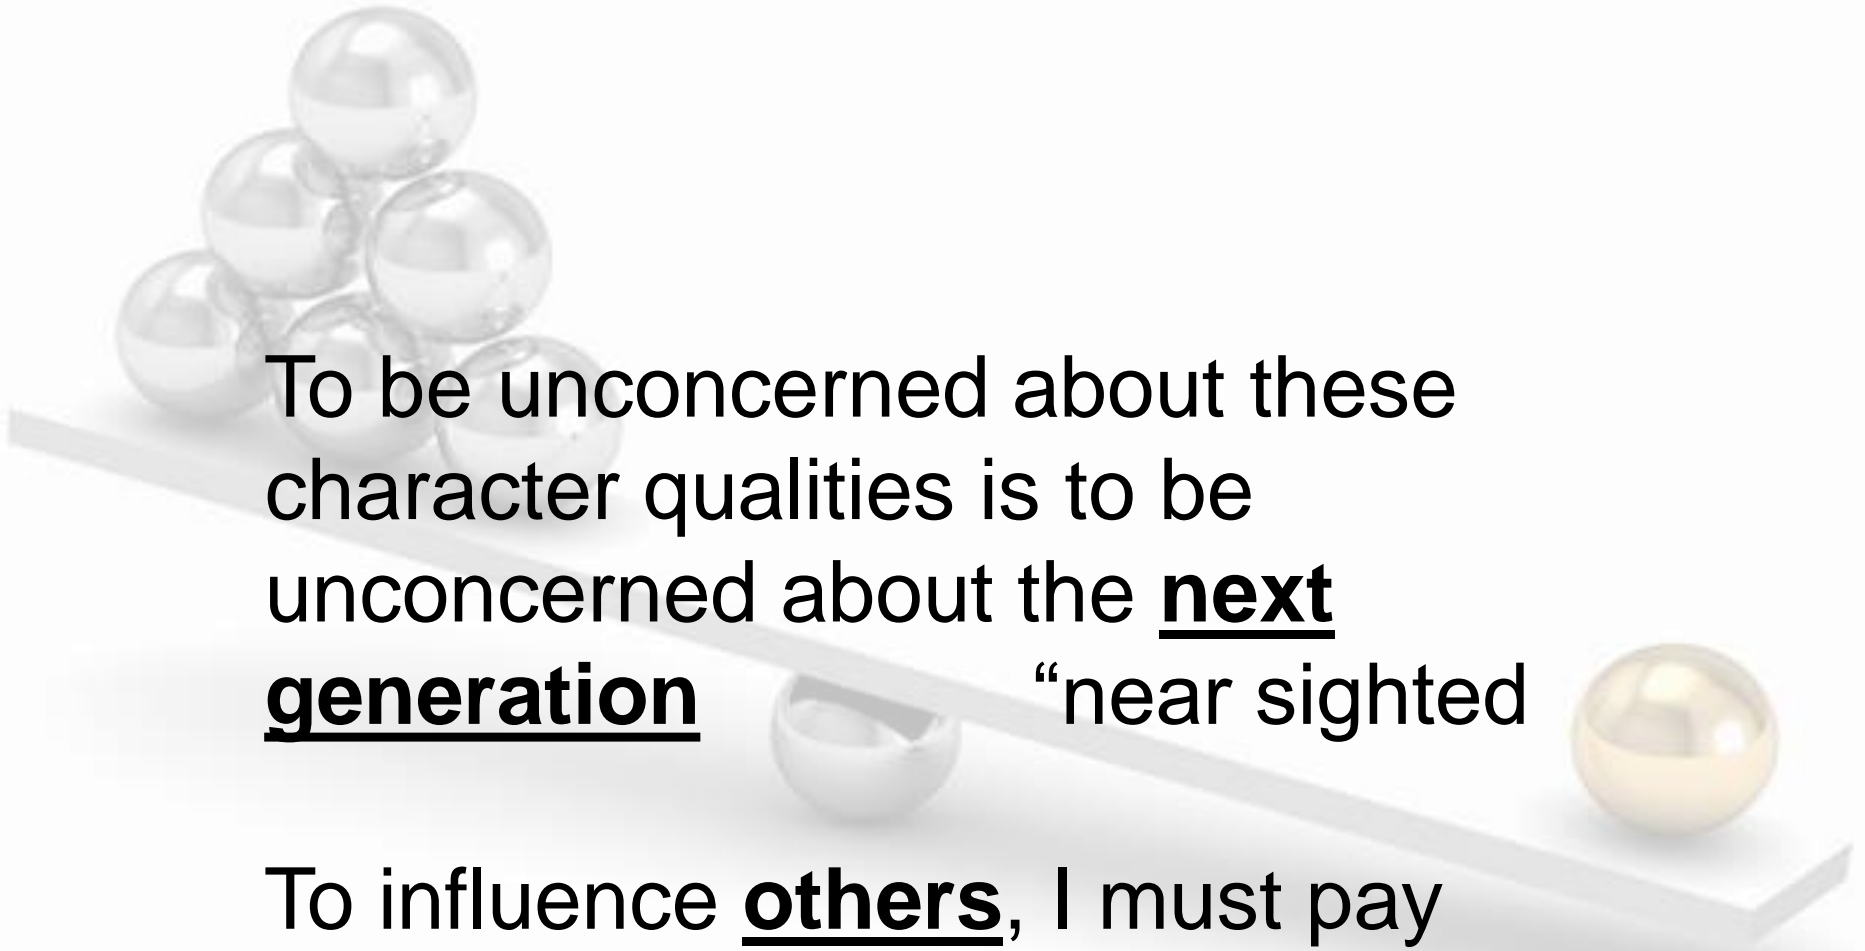

**QUANTITY vs. QUALITY**

- 
- Faith makes an **impression**
  - CHARACTER makes an **impact**
  - Build a relationship that combines and communicates **both** FAITH and CHARACTER and you will create an **influence**.

## QUALITIES OF A CHRISTIAN

- UPWARD... regarding God
- INWARD... regarding self
- OUTWARD... regarding others

To be unconcerned about these character qualities is to be unconcerned about the **next generation** “near sighted

To influence **others**, I must pay attention to **myself**.

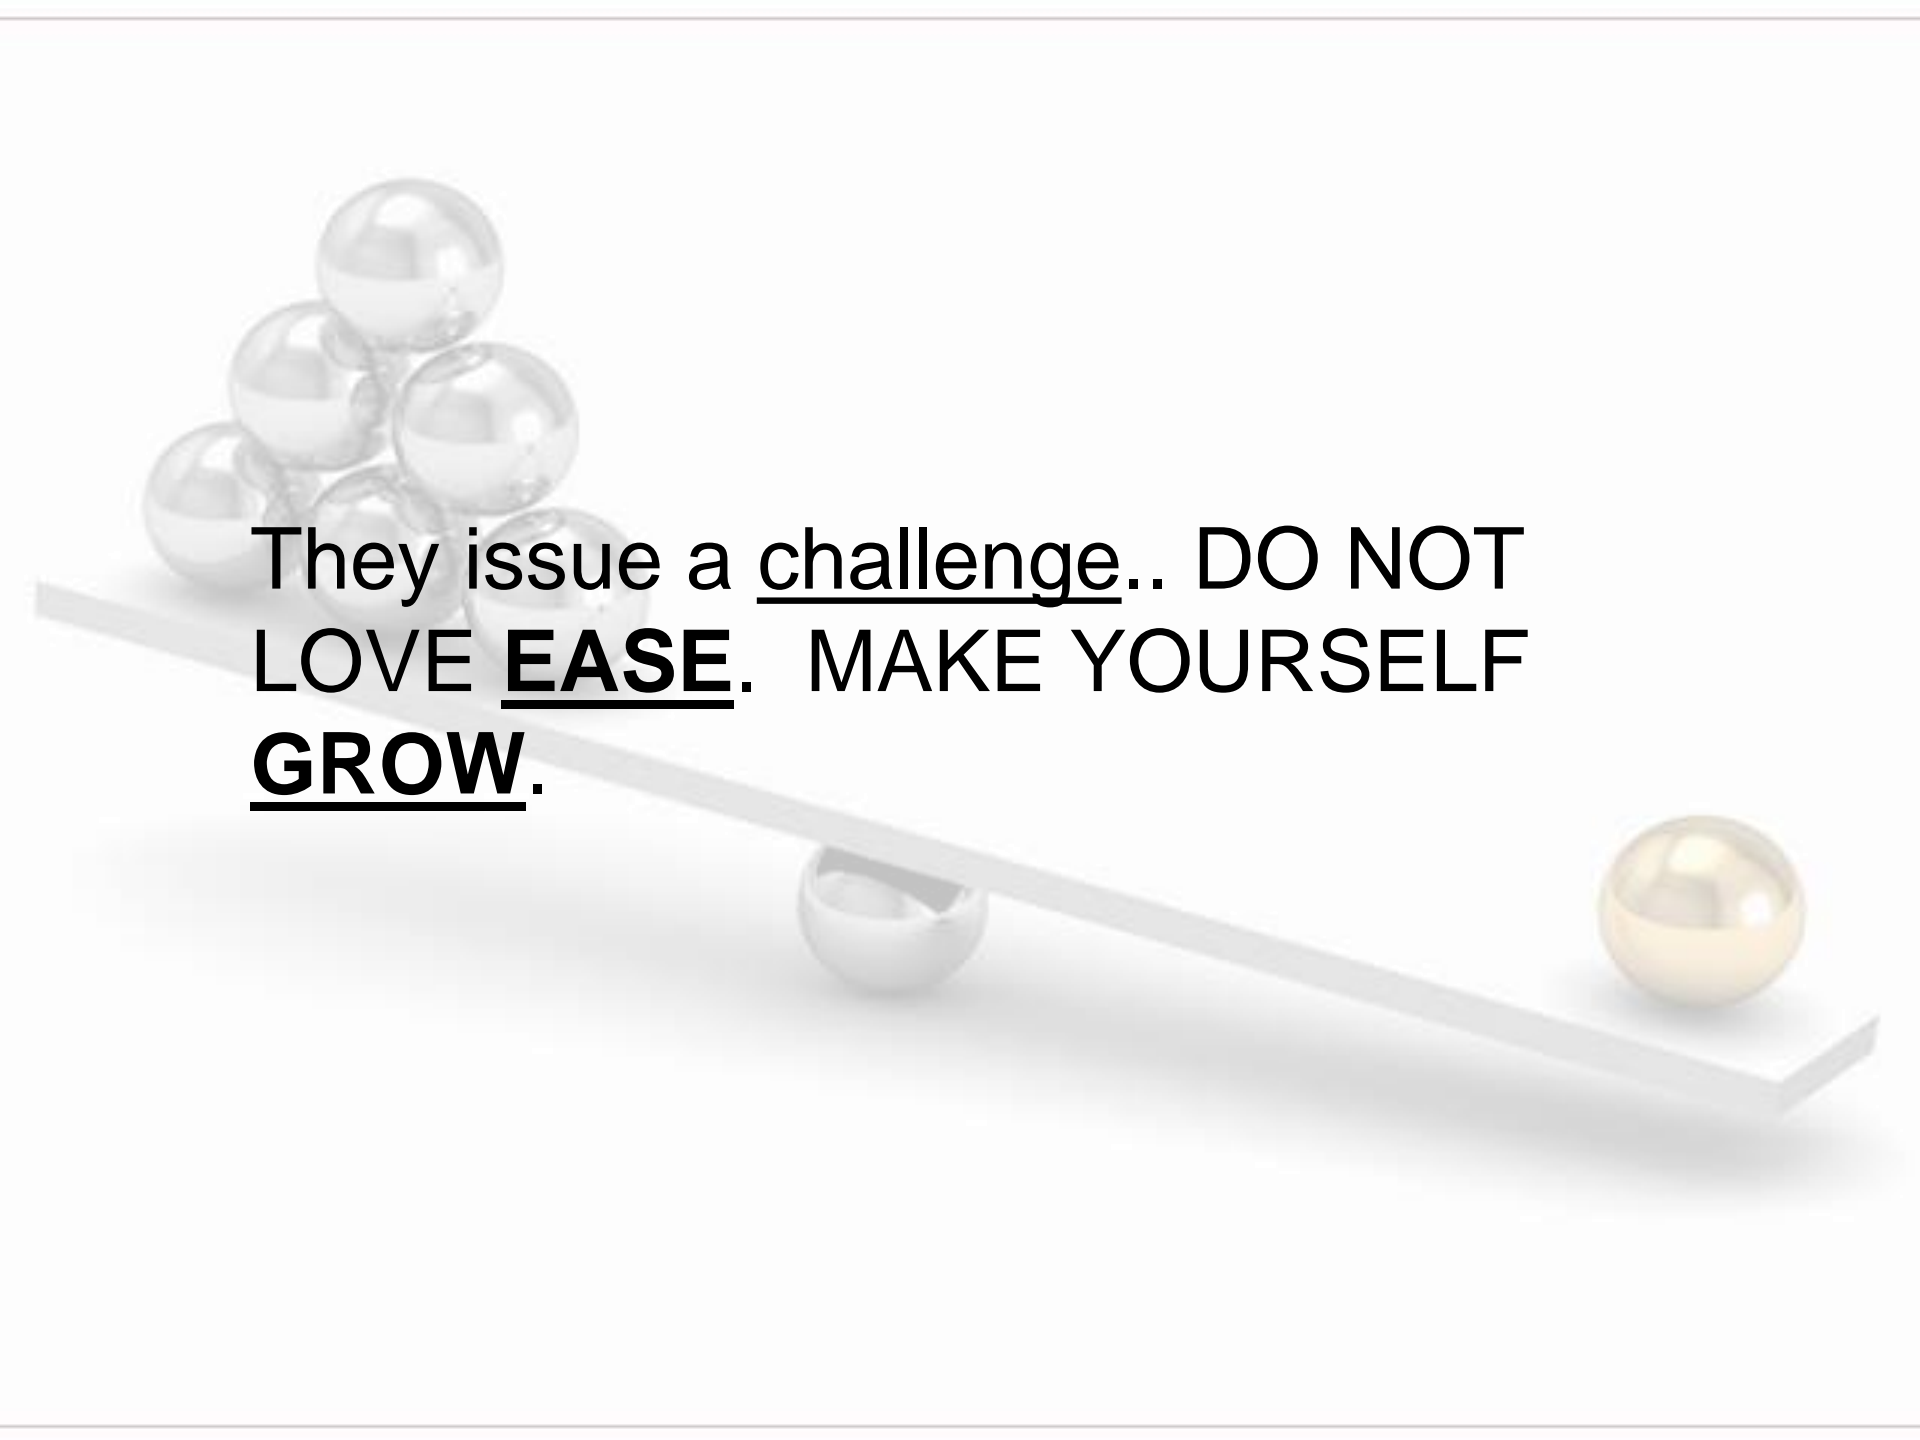

## **LENGTH vs. LEGACY**

How do Godly qualities of character make life “effective and productive”?

A 3D rendering of a seesaw. On the left side, which is higher, there is a stack of seven silver, reflective spheres. On the right side, which is lower, there is a single gold, reflective sphere. The seesaw is supported by a white fulcrum in the center. The background is plain white.

They set a standard... the  
**expectation** and **provision** of God

(vs. 3)

A 3D rendering of a seesaw. On the left side, which is higher, there is a stack of seven silver, reflective spheres. On the right side, which is lower, there is a single gold, reflective sphere. The seesaw is supported by a white fulcrum in the center. The background is plain white.

They issue a challenge.. DO NOT  
LOVE EASE. MAKE YOURSELF  
GROW.

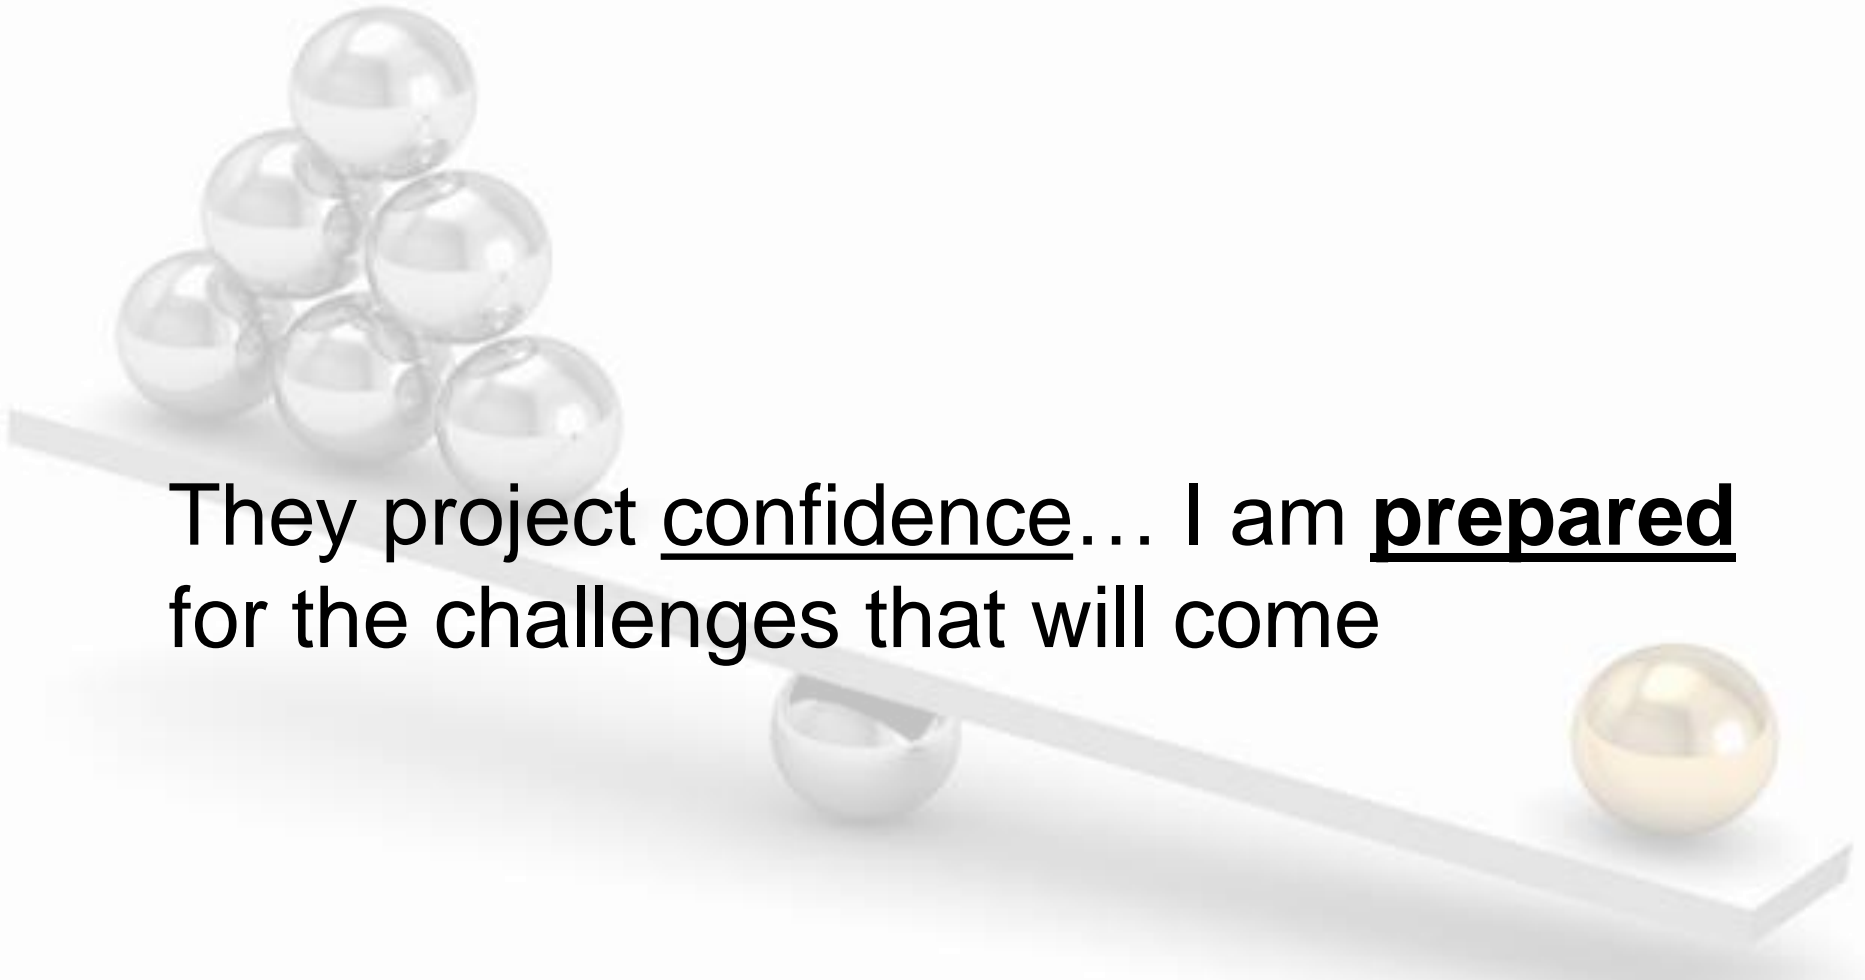

A 3D rendering of a seesaw. On the left side, a stack of seven silver, reflective spheres is piled up. On the right side, a single gold, reflective sphere sits on the beam. The seesaw is tilted upwards on the left side. The background is plain white.

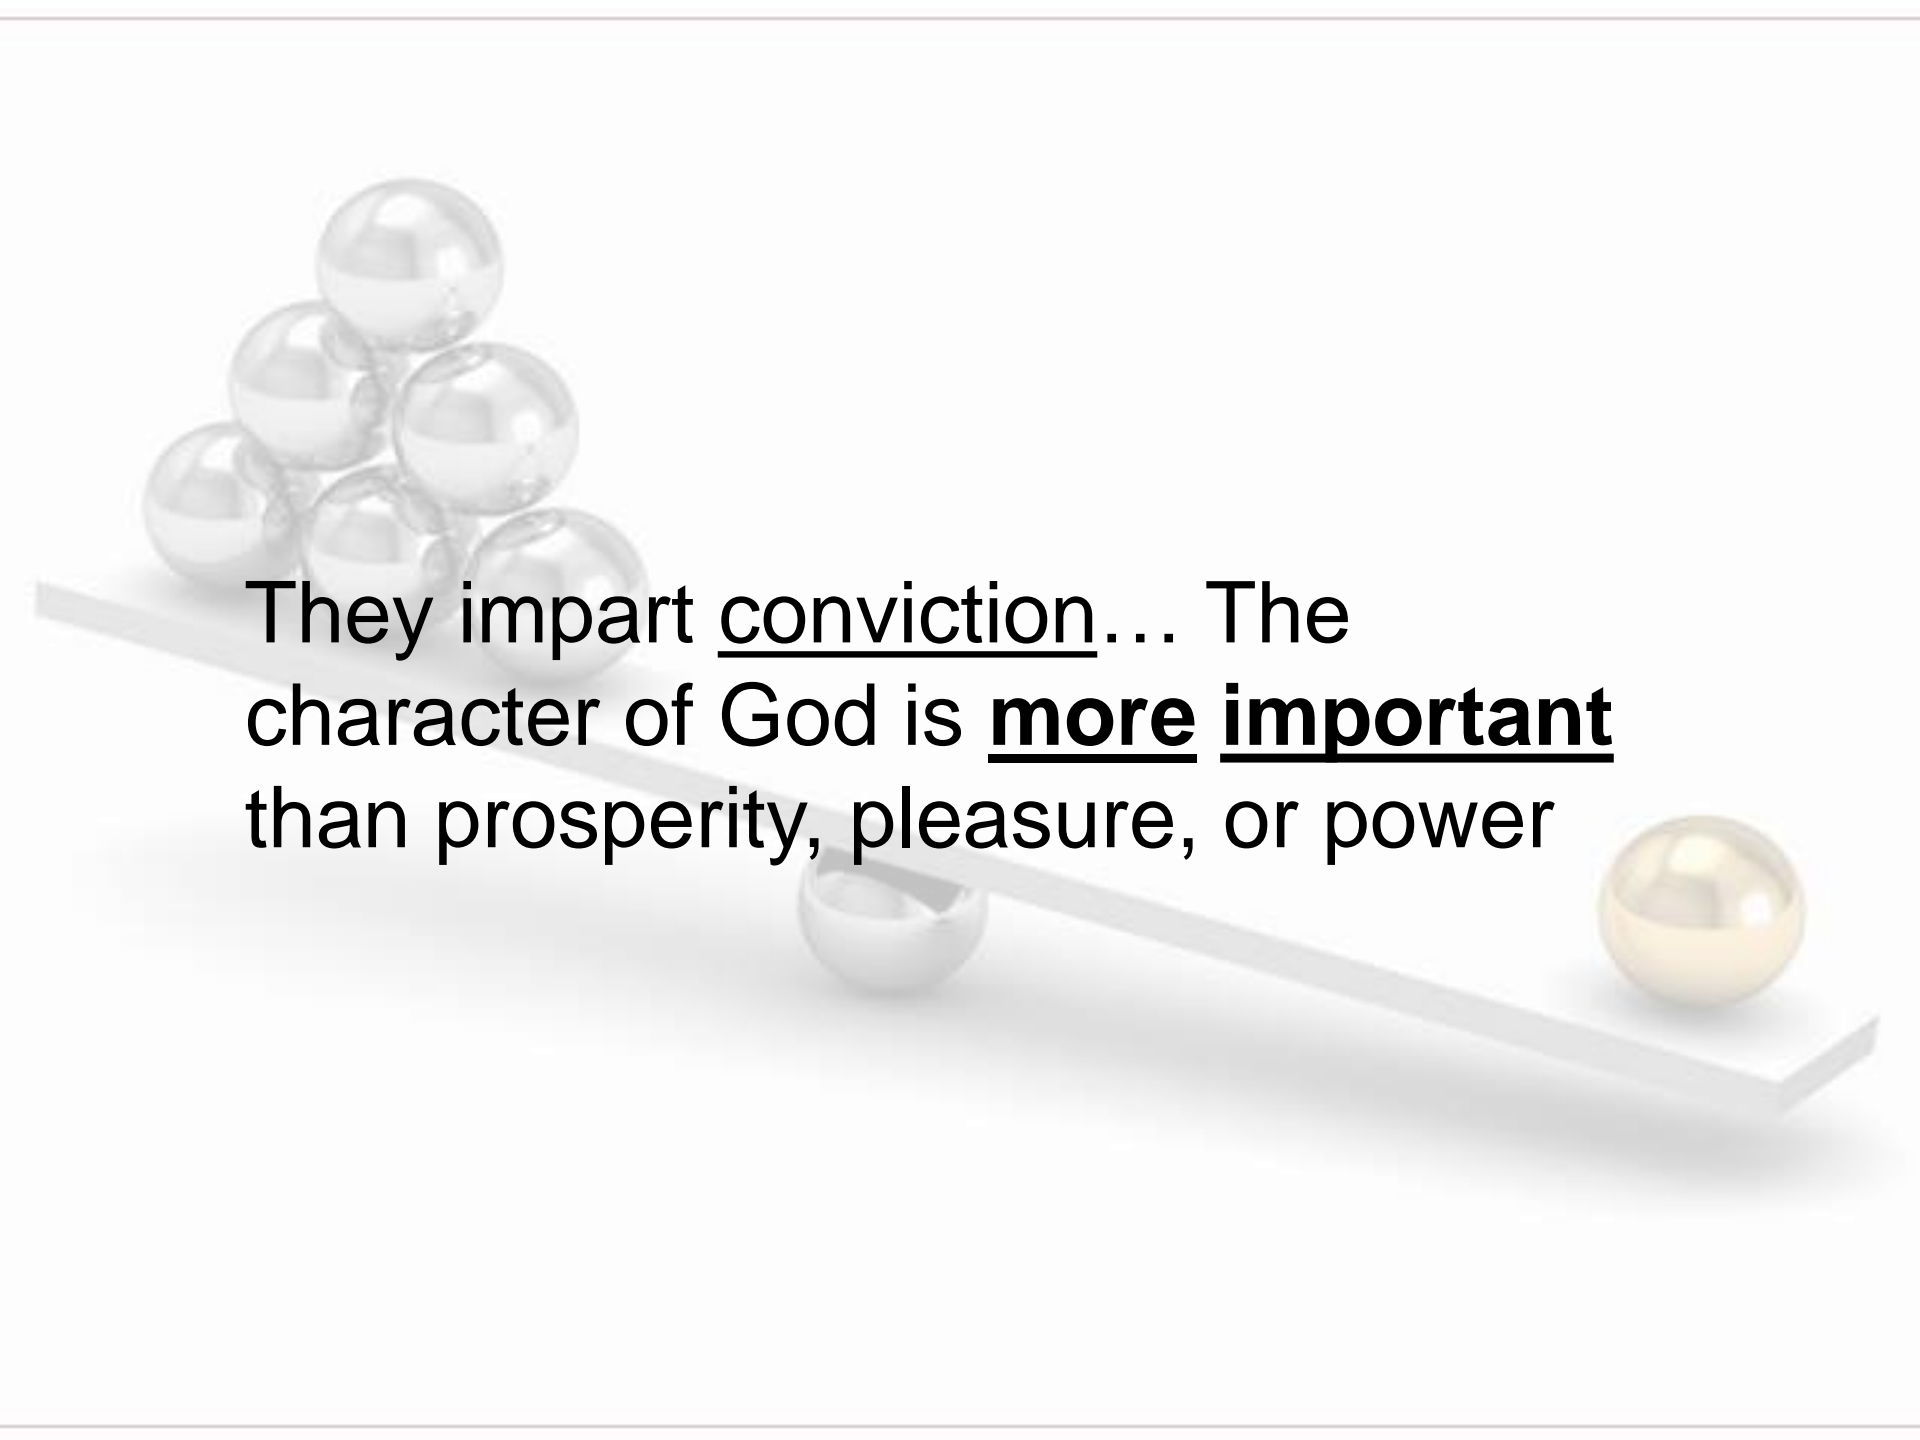

They produce involvement... I am interested in your life.

A 3D rendering of a seesaw. On the left side, a stack of seven silver, reflective spheres is piled up. On the right side, a single gold, reflective sphere sits on the beam. The seesaw is tilted downwards on the right side. The background is plain white.

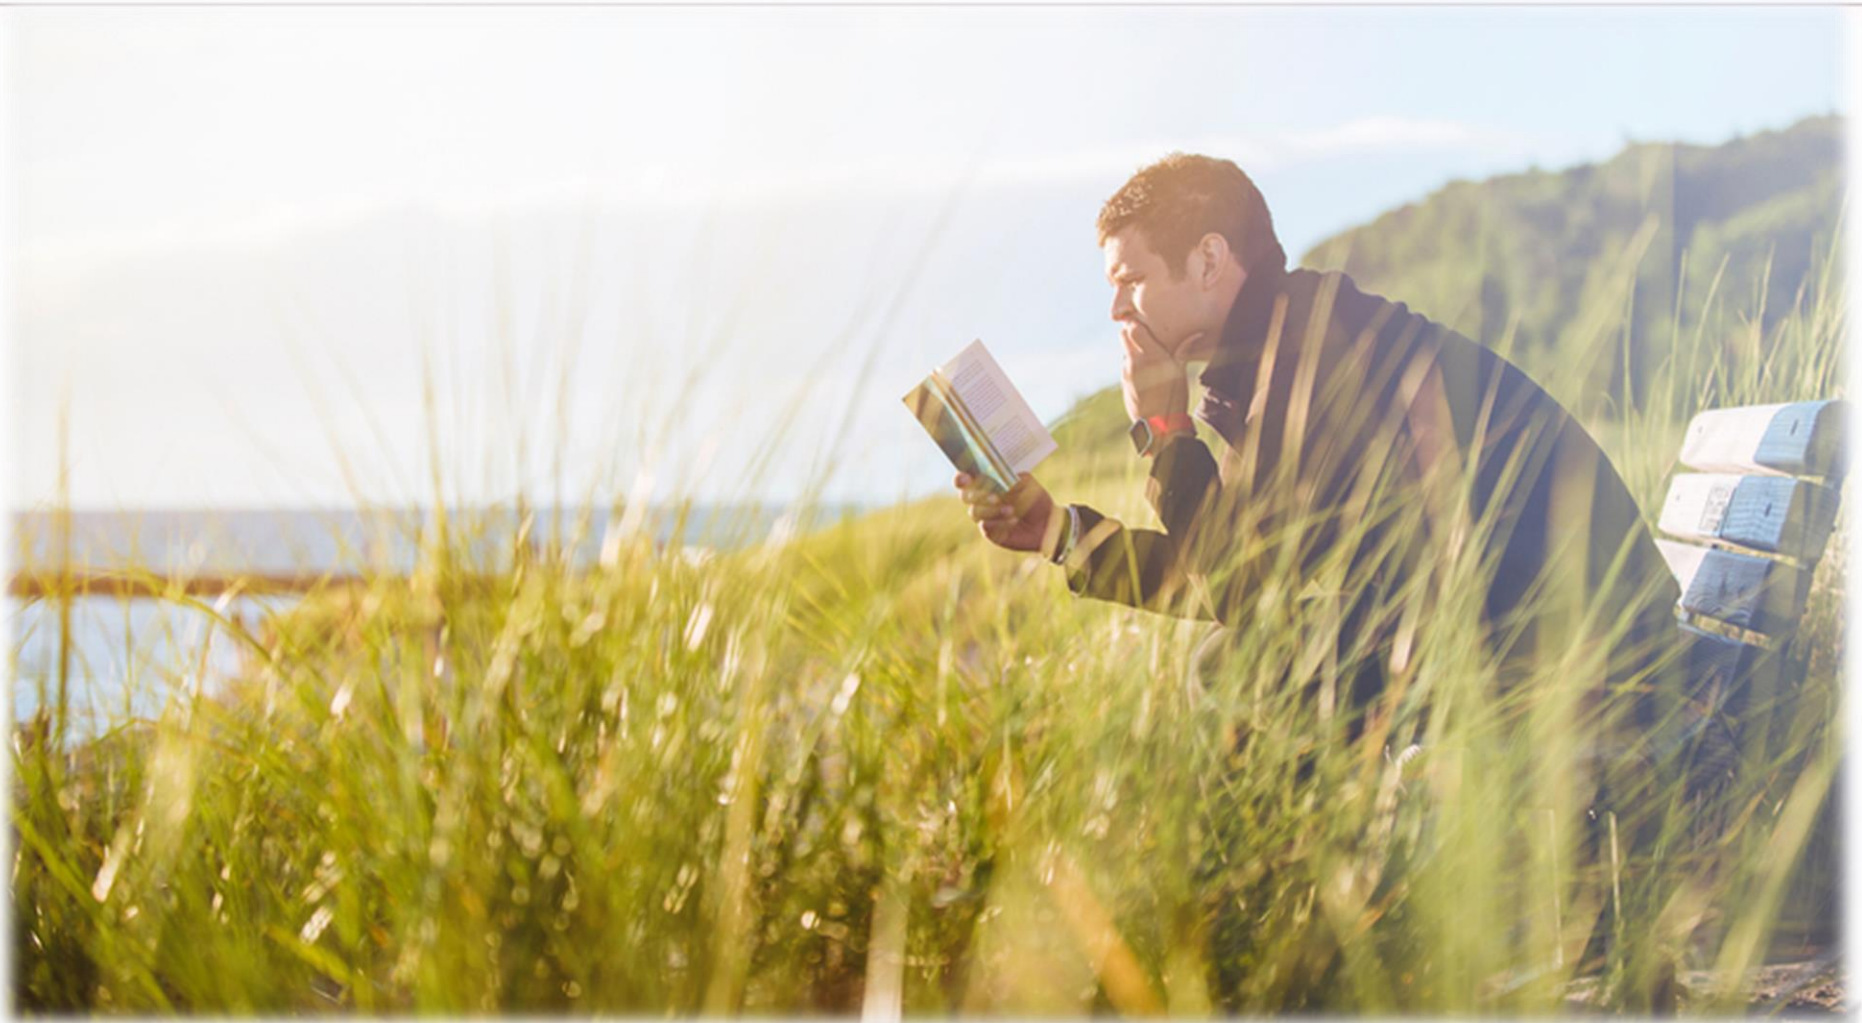

They need maturity... I can handle responsibility

A 3D rendering of a white seesaw. On the left side, a stack of seven silver, reflective spheres is piled up. On the right side, a single gold, reflective sphere sits on the beam. The seesaw is tilted upwards on the left side. The background is plain white.

They project confidence... I am **prepared**  
for the challenges that will come

They impart conviction... The character of God is more important than prosperity, pleasure, or power

**I Can Make a Difference!**
