***(Matthew 19:3-12)***

**Q** = Is it acceptable to divorce your partner? (vs. 3)

**A** = NO. You (or any other person) must not separate what God has joined. (vs. 6)

The background of the slide features two interlocking gold wedding rings. The rings are positioned diagonally, with one ring in the foreground and another behind it, creating a sense of depth. The lighting is soft, highlighting the metallic texture and the way the rings fit together.

The STANDARD of marriage  
applies until death occurs

(excuses)

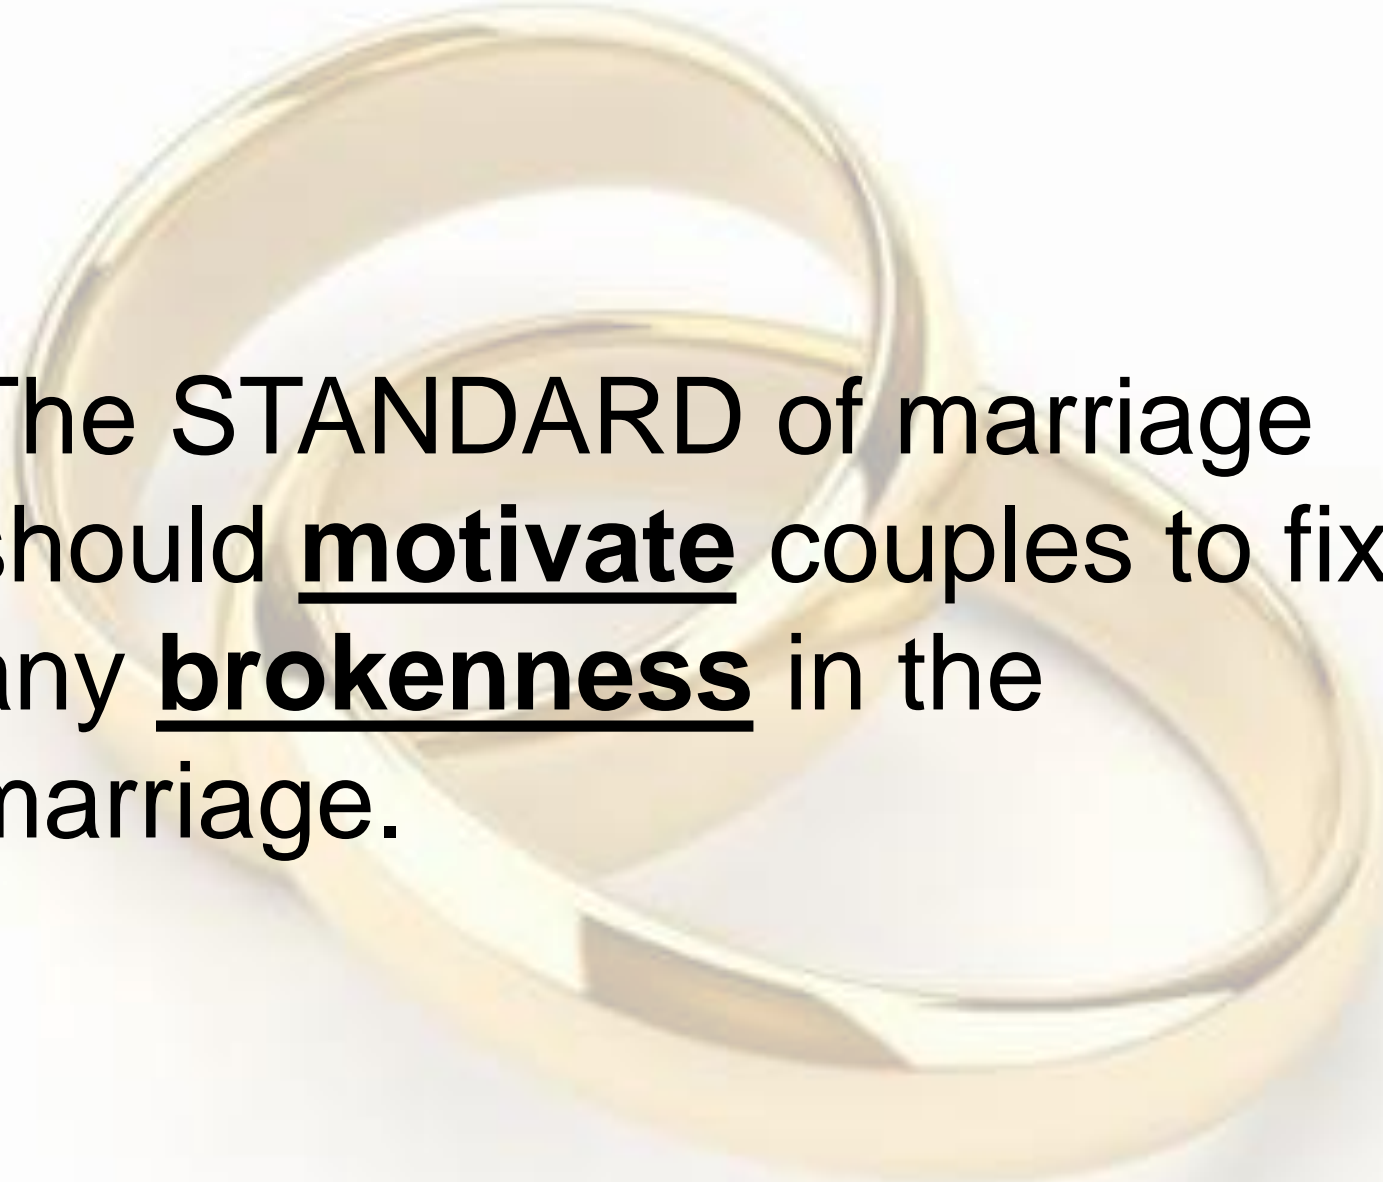

– age

- emotion/lust

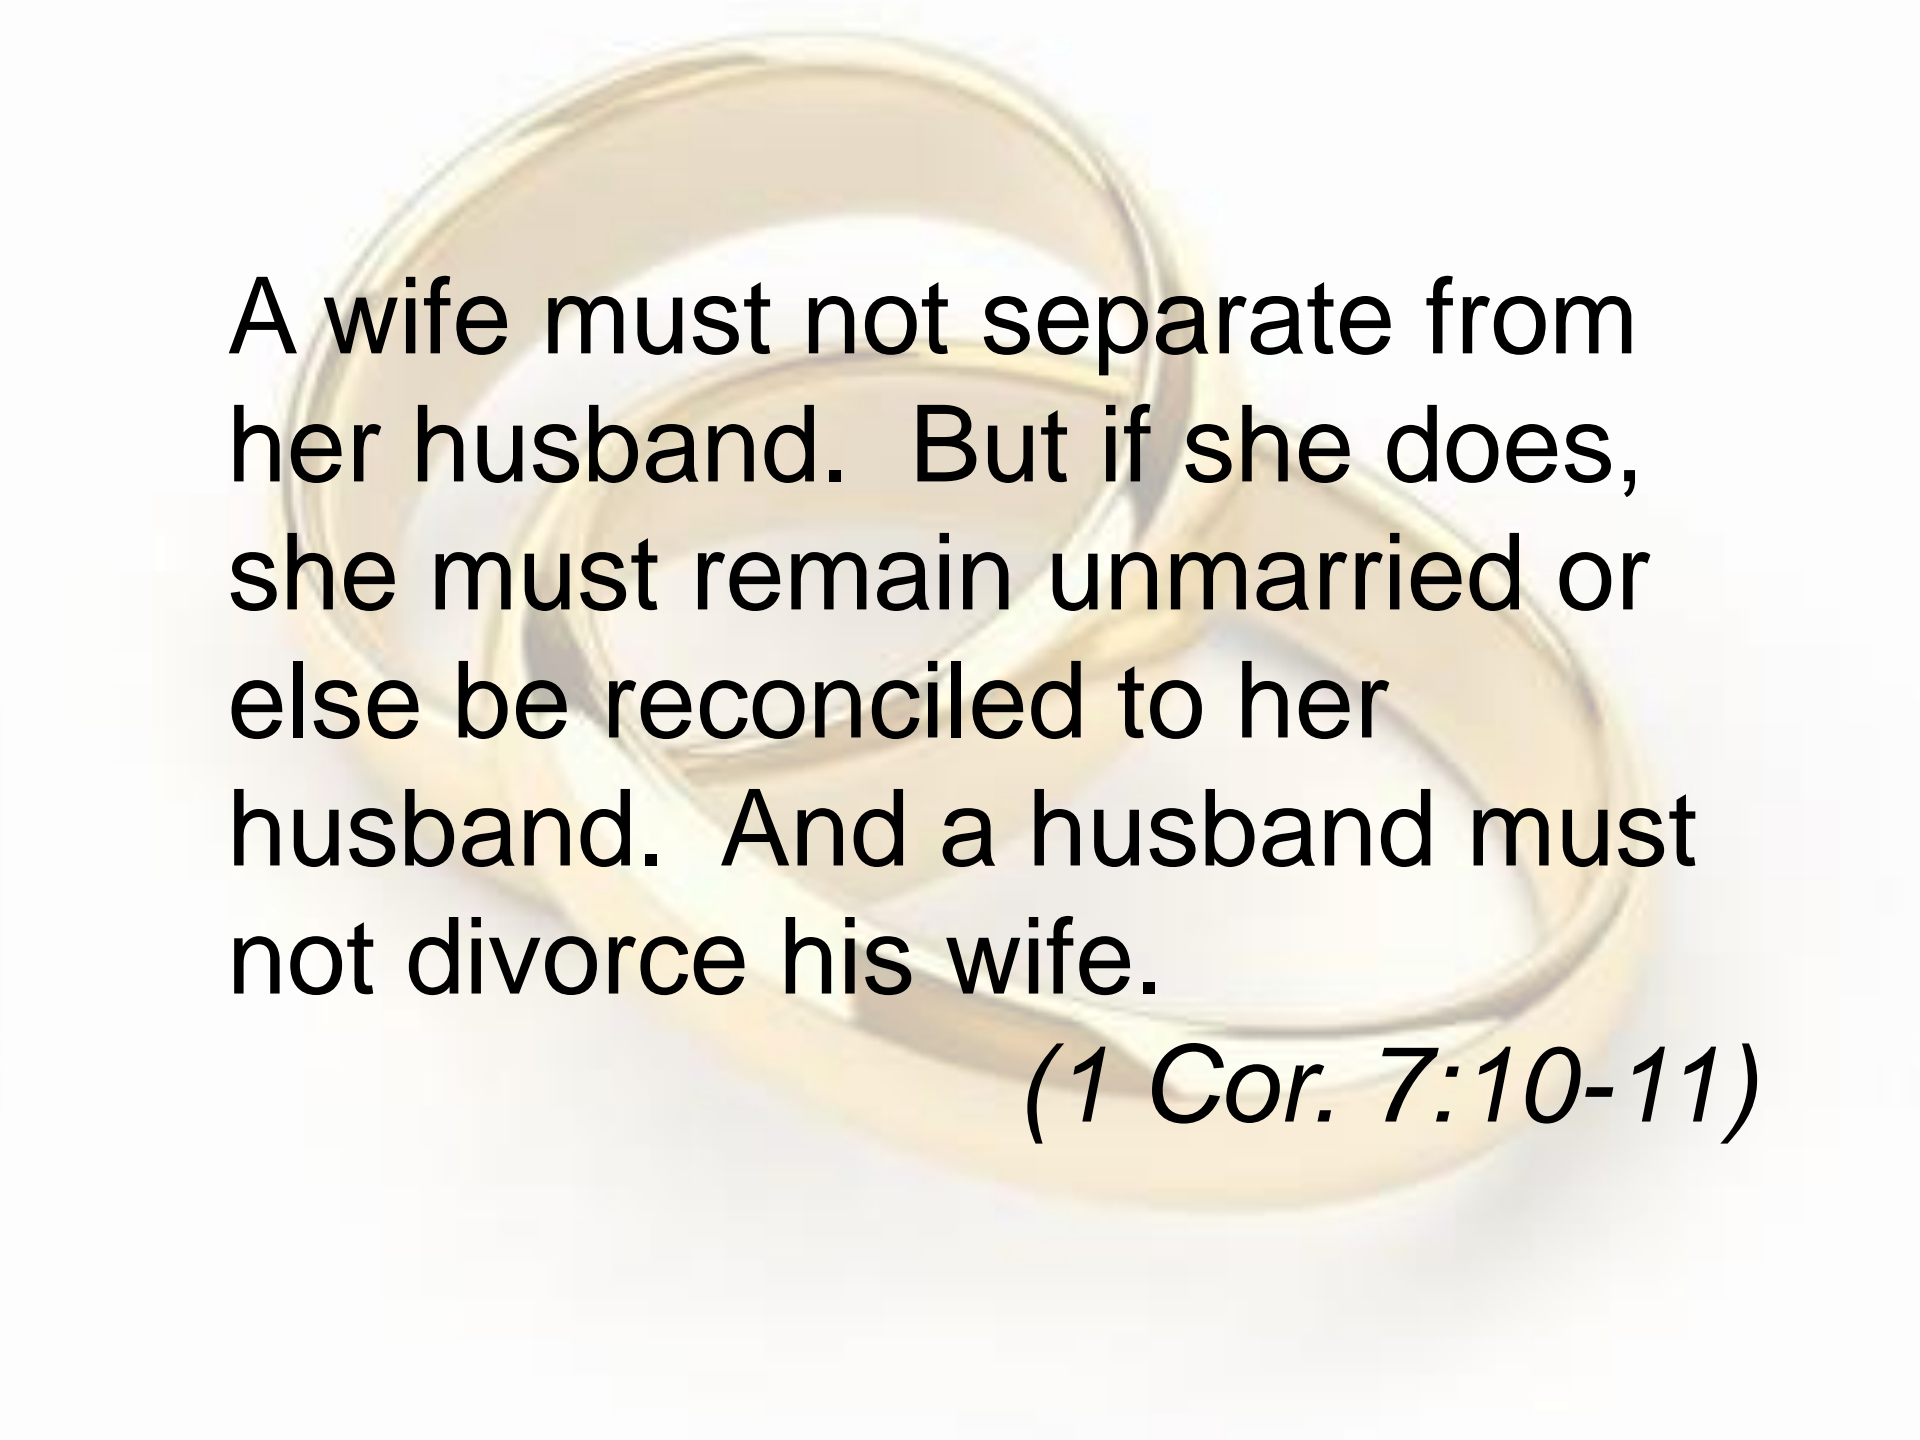

- anger

- no emotional  
attachment

- mutual agreement

The image features two gold wedding rings interlocked in a figure-eight pattern. The rings are positioned in the background, with one ring slightly behind and to the right of the other. The lighting is soft, highlighting the metallic sheen and the smooth texture of the bands. The background is a plain, light color, making the rings stand out.

The **STANDARD** of marriage should **motivate** couples to fix any **brokenness** in the marriage.

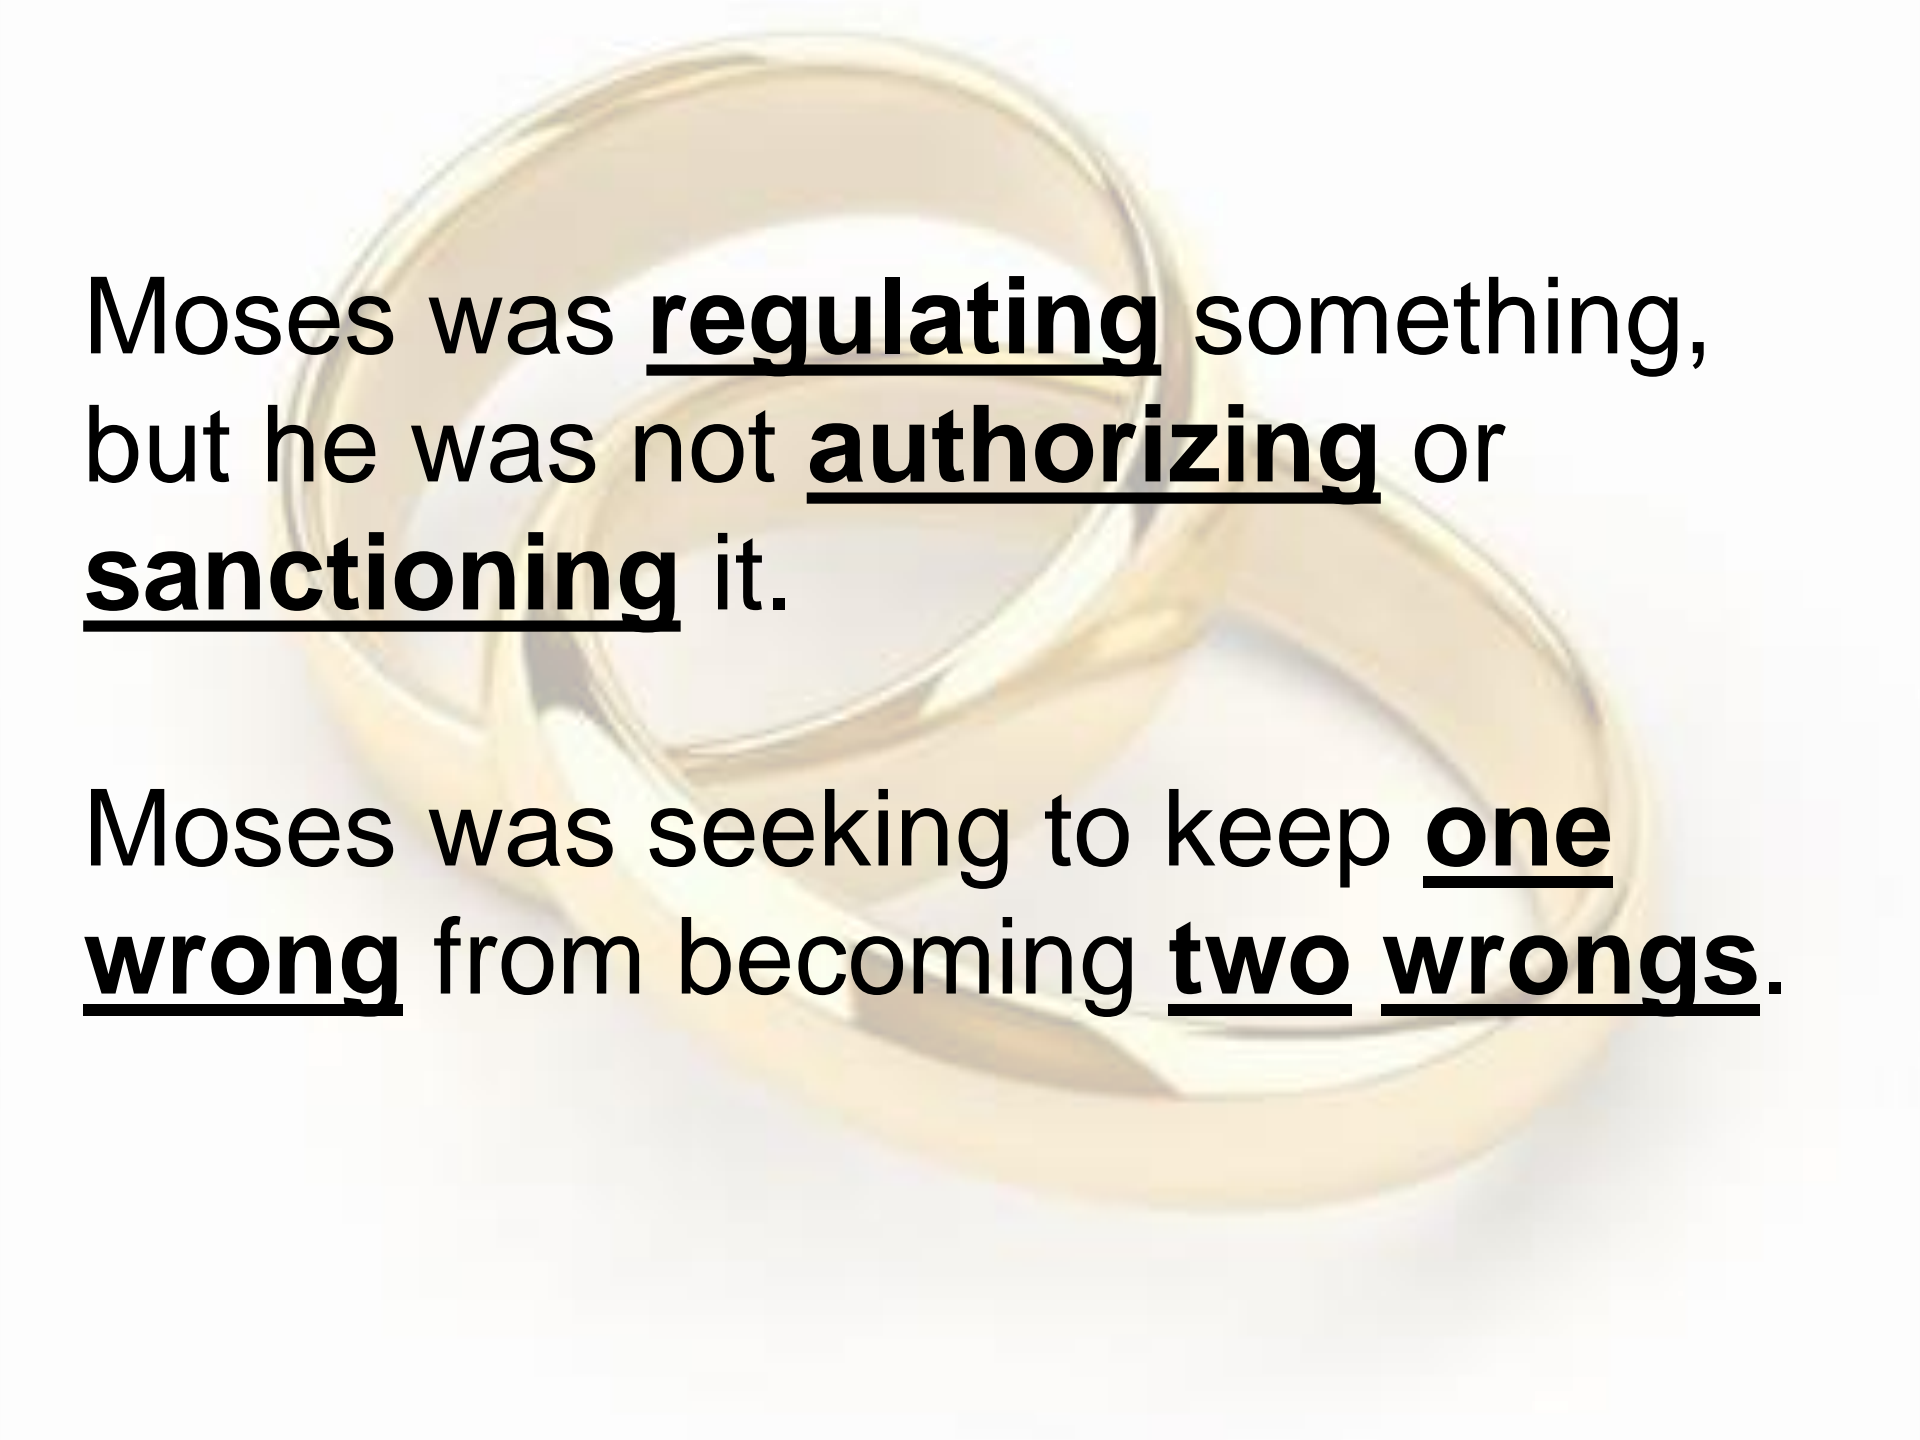

A wife must not separate from her husband. But if she does, she must remain unmarried or else be reconciled to her husband. And a husband must not divorce his wife.

*(1 Cor. 7:10-11)*

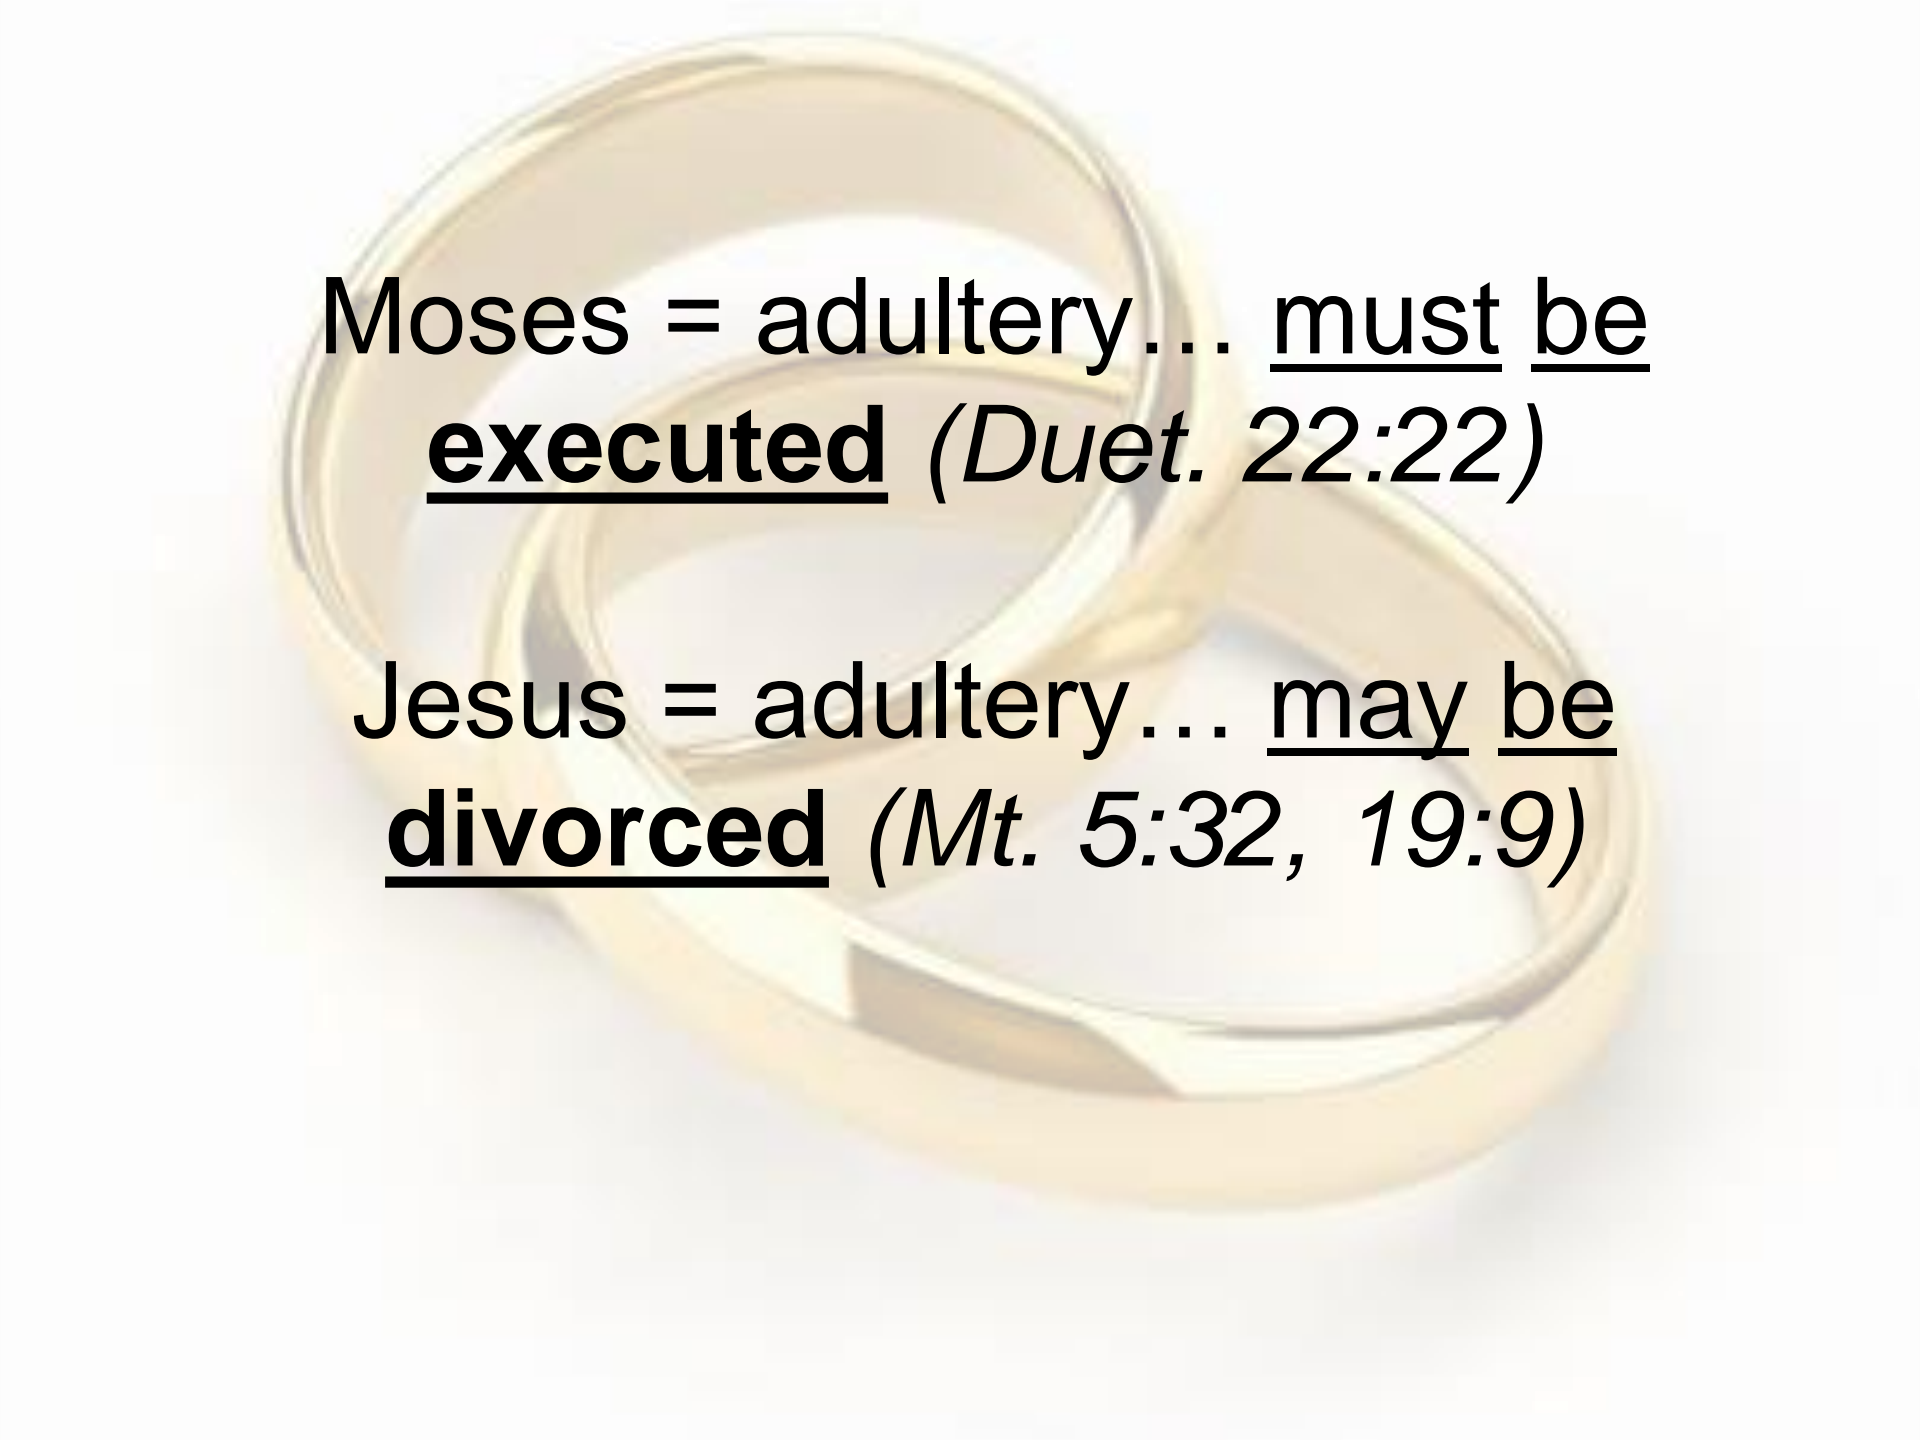

If a man marries a woman who becomes displeasing to him because he finds something indecent about her, and he writes her a certificate of divorce and sends her away from his house, and if after she leaves his house she becomes the wife of another man...

*(Duet. 24:1-2)*

Moses was **regulating** something,  
but he was not **authorizing** or  
**sanctioning** it.

Moses was seeking to keep **one**  
**wrong** from becoming **two wrongs**.

Moses = adultery... must be  
executed (*Duet. 22:22*)

Jesus = adultery... may be  
divorced (*Mt. 5:32, 19:9*)

Moses = Upon divorce, remarriage is **anticipated** (*Duet. 24:1-2*)

Jesus = Upon divorce and remarriage, the **perpetrator** is guilty of adultery (*Mt. 10:11-12*)

The **victim** (non-responsible) is **caused** to commit adultery.

(*Mt. 5:32*)
