

THE CHEERFUL AND THE WEARY

Enthusiasm is wonderful!

Enthusiasm expresses an  
**appreciation** of **salvation**.

**HOWEVER!**

Enthusiasm will easily die  
unless **fueled** and **nourished**.

The seed which fell on rocky places is the man who hears the word and at once receives it with great joy. But since he has no root, he lasts only a short time. (*Matthew 13:21*)

**HOW** do I stay enthused?

**HOW** do I keep from getting weary?

Decide to love God!

Sincere love is more **motivating**  
and **empowering** than anything  
else.

When you love, you will never  
cease to **see** opportunities and  
you will never cease to have  
**energy** to **seize** opportunities.

Decided to devote yourself  
to people.

Love never depletes. Love  
always energizes. This is the  
**supernatural nature** of love!
