

Cars Without Drivers...  
no fear!

*(II Timothy 1)*

“remembering the faith” (vs. 5)

✓ Refers to the story  
and teachings of Christ

- incarnation • crucifixion
- resurrection • destination

- ✓ This must be **passed down**  
(unchanged)
- ✓ This can never be **made new**  
(changed to fit new ideas)

“remembering your faith” (vs. 5)

✓ Refers to the relationship of each believer (with God)

- trust • obedience
- worship • witness

This cannot be “passed down,” but  
can be put on display

- ✓ This can be “made new” and  
continually respond to new  
challenges

“Fan into flame & gift of God...”  
(vs. 6)

As we face new challenges  
and engage new ideas we can  
take our hand off the wheel  
and trust God to lead us and  
achieve his purpose through us.

We **ride**! God **drives**!

For God did not give us a spirit of fear, but a spirit of power, of love, and of self-discipline (*vs. 7*)

**Fear** grows because **faith** shrivels.

- Power
- Love
- Self-Control

**Remind yourself** of what God has  
given to you!
