

**I WILL
NOT
TURN
BACK
MY
WRATH**

“For three sins, even for four, I will not turn back my wrath.”

HOLINESS ... I cannot, will not let things slide

REALITY ... I am offended and it's not because I'm being picky. (I see real sins and lots of them)

As a Christian or a person who seeks to avoid sin, I may be justified in my anger at sin, but that does not mean that I may feel **proud** that I sin to a lesser degree.

I have no **reason** or
room to gloat.

Any sin (amount or type)
is **offensive** to God.

When I hear of the troubles or demise of a wicked person, I am **not shocked**.

When I hear of God's anger toward my own sin, I **am shocked**.

You only have 1 CHOSEN from
all the families on earth.

Therefore I will punish you for all
your sins. (3:2)

The lion has roared! Who
will not FEAR God? (3:8)
