As we journey through this life we continually make adjustments. Why? Because things change. We go through unexpected circumstances and crises. Things happen that we never thought we would have to deal with or experience. Body. Family. Country. Etc. But there is one constant, unchangeable. How blessed we are that we do not have to make adjustments to our faith in God. God does not disappear or disappoint or change his product line. How amazing! We can worship him today as we always have, because God is the same as he always has been. And though things do change at Otterbein, we still hold out this unchanging God to the world. Welcome!
