THOSE NICE PEOPLE

The culture in which we live should not **influence** or **intimidate** God's people.
(Romans 12:2)

We have a greater **privilege** and greater **motivation** than the acceptance or applause of men.

CHOSEN... SEPARATED... LOVED

Those qualities demonstrate **respect** for people and creation... a **tenderness** of conscience and **submission** of will.

Texture = soft vs. harsh, hard, jagged, cruel

Taste = sweet vs. bitter, biting, sour,
overpowering

Speed = slow vs. rapid, instant, hasty

CARE – recognize the worth/value/beauty
of each person

BE KIND – first instinct/thought... to be
considerate and helpful

BE HUMBLE – Understand the
insanity of **vanity**

BE GENTILE – “Rip and Roar” does not
gain access to hearts.

BE PATIENT – give the Lord **time**
to **work** in his way

FORGIVE – remember God's
promise and **warning**

**LOVE – start with God and it will
flow out from there**

To be **nice** does not mean
you have no **spice**

These are spiritual qualities...
given to us as the **result** (fruit)
of God's Spirit **indwelling** our life.
