

CARPE  
DIEM

*(Colossians 4:2-6)*

WATCHFUL in prayer... seeing **God's** power and assistance as available.

THANKFUL in prayer... seeing my **self** as receiving God's blessings.

FAITHFUL... seeing unavoidable **circumstances** as something to embrace, rather than escape.

My life will push folks away or pull them toward God (wisdom).

My speech/action does have  
impact (opportunity).

Realize that **love/acceptance** is the key to unlocking hearts (grace).

My life can create **attraction** to God (salt!).

Friendships/relationships will **provide** questions. God will **provide** answers.

Sometimes I can only make the **most** of every opportunity by first making the **opportunity** itself!

Grace does not imply a lack of boldness or enthusiasm.

“Salt” is both **appealing** and **aggressive.**

BE ALIVE... live **existentially**.

BE ALERT... live **proactively**.
