WEDNESDAY evening adult (mixed) Bible Study will begin a new area of study this week ... the OT books of KINGS. These two books tell of events in Israel and Judah from the time of Solomon to the final captivity in Babylon, a 400 year sweep of history. Can this account of ancient intrigues really connect with my life? Oh yes! Times change. But people and principles and God's truth are always the same. Discussion format. Led by Pastor David. It would be a blessing to have you share with this group whenever possible. (6:30-7:30)
