

GOD IS.

THE SON

HEBREWS 1:1-3

Long ago God spoke... **partial** and
progressive

But now God has spoken... **fully** and **finally**.

The SON

- A different **category** of being
- A different **level** of revelation

DREAM HOUSE

- ✓ Everything **previous** was **preparation**
- ✓ The **big** move was the **final** move

God **exists** within a complex being
of fellowship/family

God **surrounds** himself with messengers
and servants

God **creates** a world... people in his own
image

God **exalts** the SON above all. It is **all**
his **inheritance**

Wow! The baby got an actual, real name!

Oh! The pets get a lecture and a threat!
