

NEEDED:
One Unique Infant
(Luke 2)

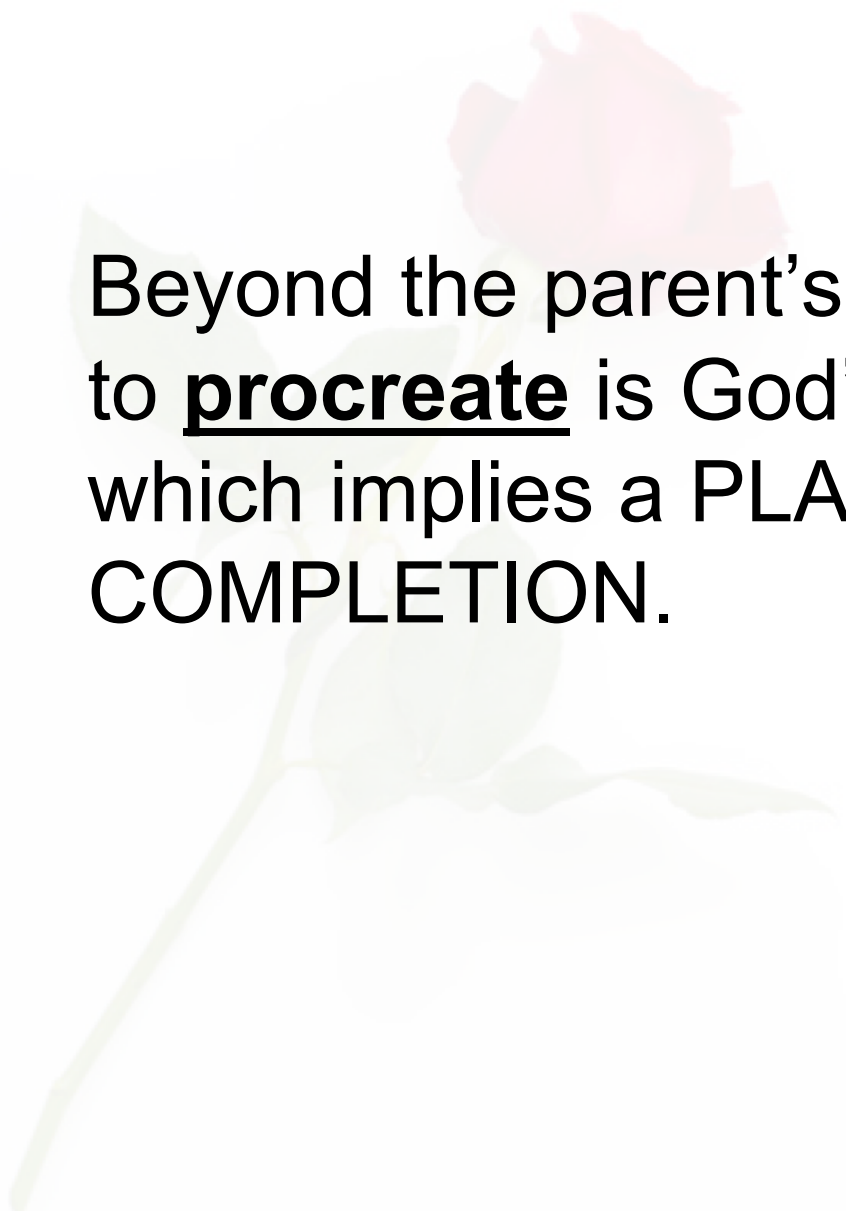

The gospel writer flips forward a very minor, but not unimportant detail (2:21). For JESUS, the name was chosen and assigned **before** conception. This speaks of **purpose** of life.

Each child is a soul, **conceived** by **humans**, and **conveyed** by **heaven** for its unique purpose.

Name prior to conception signifies
the **need** for this child to be born
into the world.

Beyond the parent's decision to **procreate** is God's decision to **create**, which implies a PLAN that seeks COMPLETION.

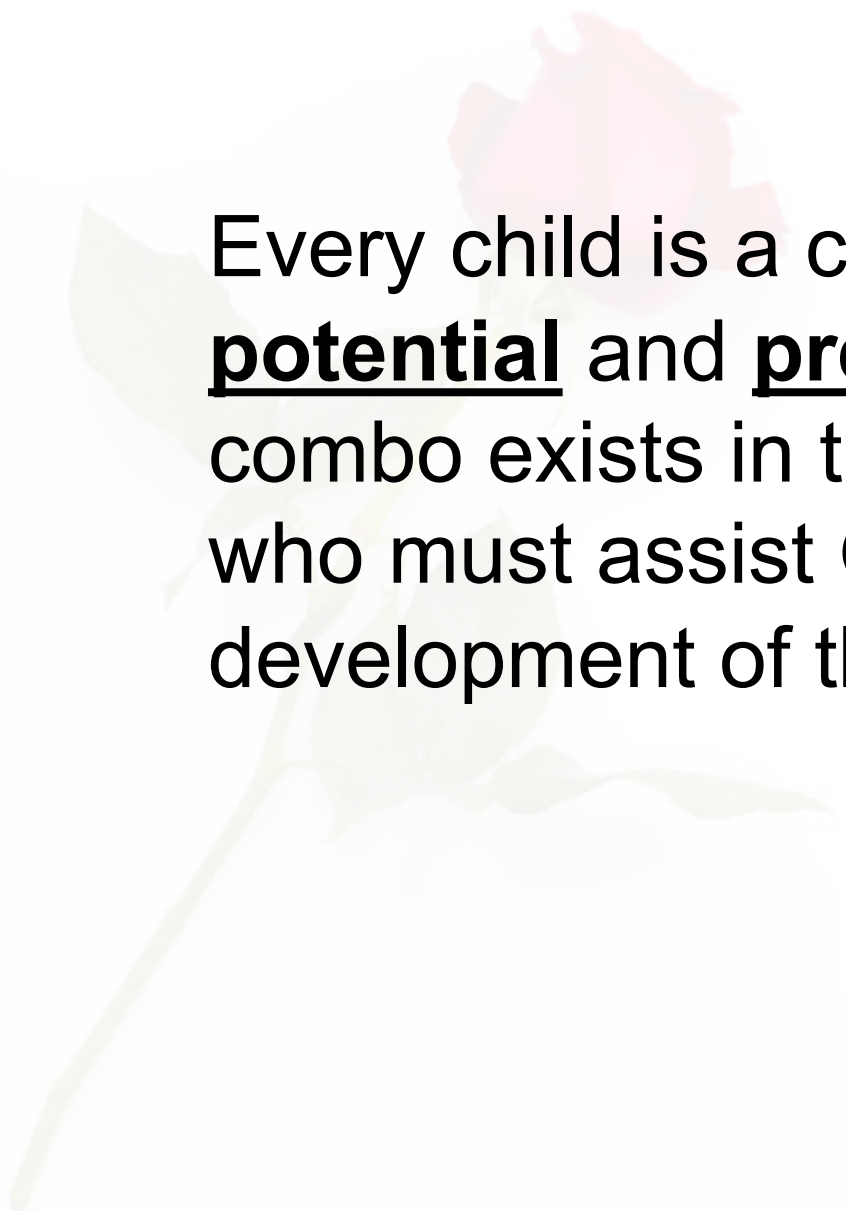

PRESENTATION / DEDICATION = ACKNOWLEDGEMENT

**“We will follow the instructions so that
the intentions will be realized!”**

SIMEON

For the light... **more light!**
2. I see salvation/preparation!

Every child is a combination of **potential** and **preparation**. This combo exists in the sight of **people** who must assist God in the development of the child!

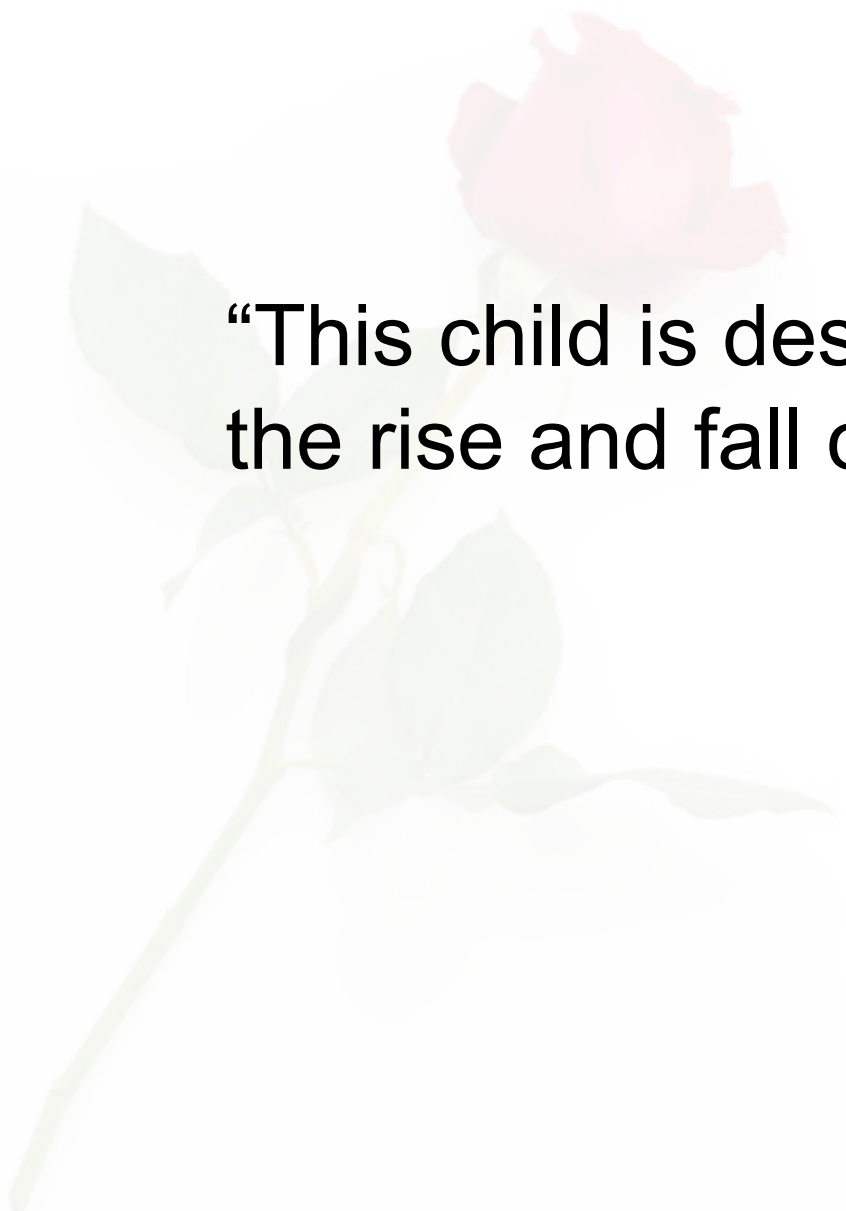

Do not be **ashamed** of **rules**.

Do not be **afraid** of **discipline**.

Respond to what you see (in them).

Speak of what you see (to them).

“This child is destined to cause
the rise and fall of many...”

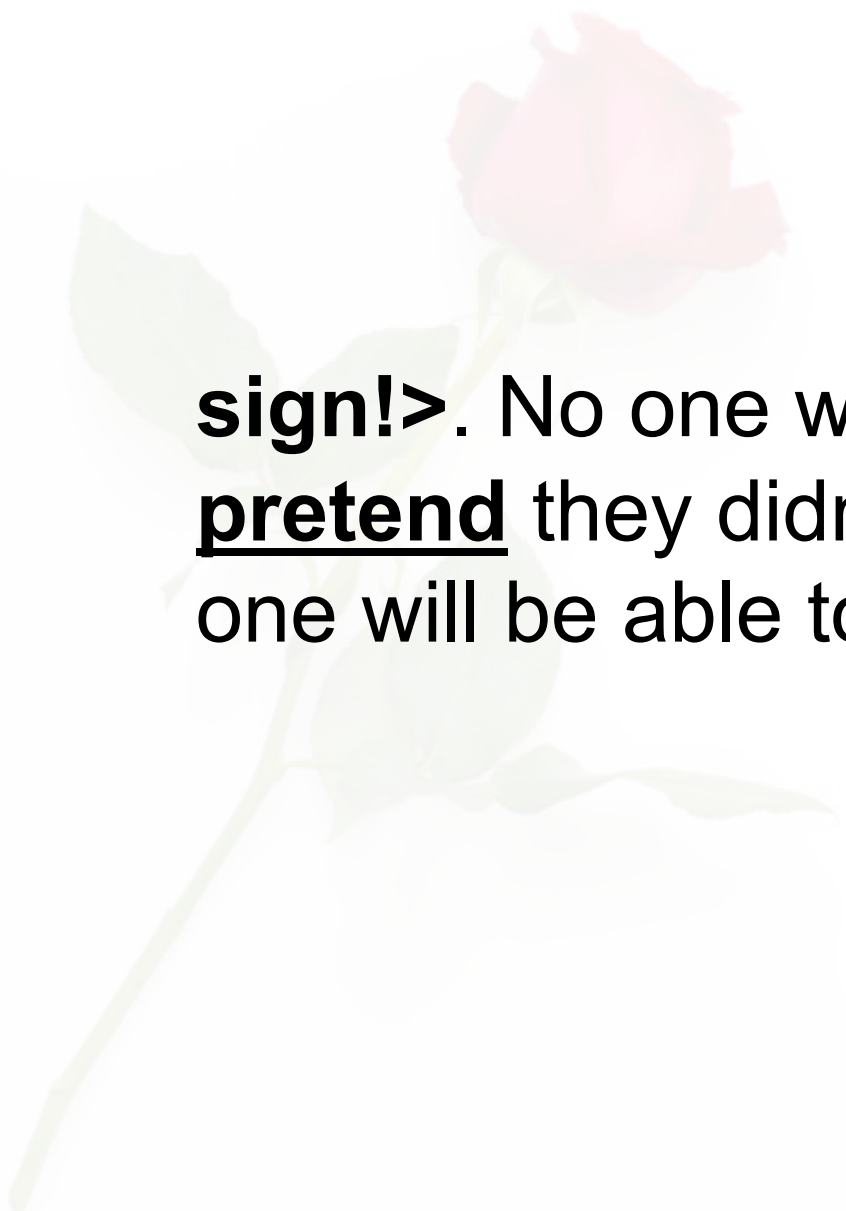

(Luke 2:34)

**wind!> Some will rise into it and
some will plummet from it.**

**sign!>. No one will be able to
pretend they didn't notice it and no
one will be able to disregard it!**
