

A  
ROOM  
and  
A  
RULE

**PLACE** ... symbolized the **uniqueness**  
of God

\* just one God/place

**Procedure ... symbolized the unapproachableness of God**

**\*individual > animal > priest >  
blood > GOD**

Tabernacle and Temple ...

Sacrifices and Rituals

These formalities simply bought  
time ... a **temporary truce**

When Christ came ...

- a **different** tabernacle
- his **own** blood
- obtained **full** forgiveness
- our conscience **cleansed**
- we may **serve** God

Justice **DEMANDS** some form of  
acknowledgement of the wrong  
and payment for the wrong

God cannot tilt toward  
intolerance or indulgence!

Therefore he offers forgiveness  
AND he requires blood

Because the sacrifice of Christ  
was perfect, once was sufficient.

DEATH. Because we are  
COVERED and CLEANSED by  
Christ's blood, we do not fear the  
judgement following death.
