Did you know? By the time you finish reading this sentence, you will be half a mile east of the spot you occupied when you began reading it! And, in this same short time, the earth traveled 30 miles along its course around the sun! And somehow amid our rotation and revolution, the whole galaxy is drifting along at a pretty good clip. And you thought you were sitting still! The vast domain of our universe is awe inspiring. And what of its creator? How big is God? How powerful is God? How great is God?

As winter progresses, weather may dictate cancellation of service or activity. We will use the church website, greencastleub.org to post any cancellations. Please check there if you have a question. Thanks!

If you are following along with our 2021 Feast on the Word reading plan, this week (Feb. 15-20), we will be reading

- 15 - Numbers 20-23; 1 Corinthians 5-6
- 16 - Numbers 24-27; 1 Corinthians 7-8
- 17 - Numbers 28-31; 1 Corinthians 9-10
- 18 - Numbers 32-36; 1 Corinthians 11
- 19 - 1 Corinthians 12-16; Psalm 44
- 20 - Catch Up Day (Optional; Psalm 78-80)

Since the Bible is our GUIDEBOOK for living, and our living is a connection of relationships, we must periodically return to the Bible's wisdom and authority for living in relationship with each other. God said, "It is not good for man to be alone" but someday we may wonder about that! During February, our Sunday sermons will be from the pragmatic Proverbs of Solomon. A focus on HAPPY RELATIONSHIPS. We hope you are able to join us!

Feb. 7 – **Friends** Feb. 14 – **Spouse**
Feb. 21 – **Family** Feb. 28 – **Neighbors/co workers**
