

Psalm 78:1-8

Question: Have you ever thought
about building an infrastructure
for your great grandchildren to
know Jesus and His Gospel?

(vs. 2-4)

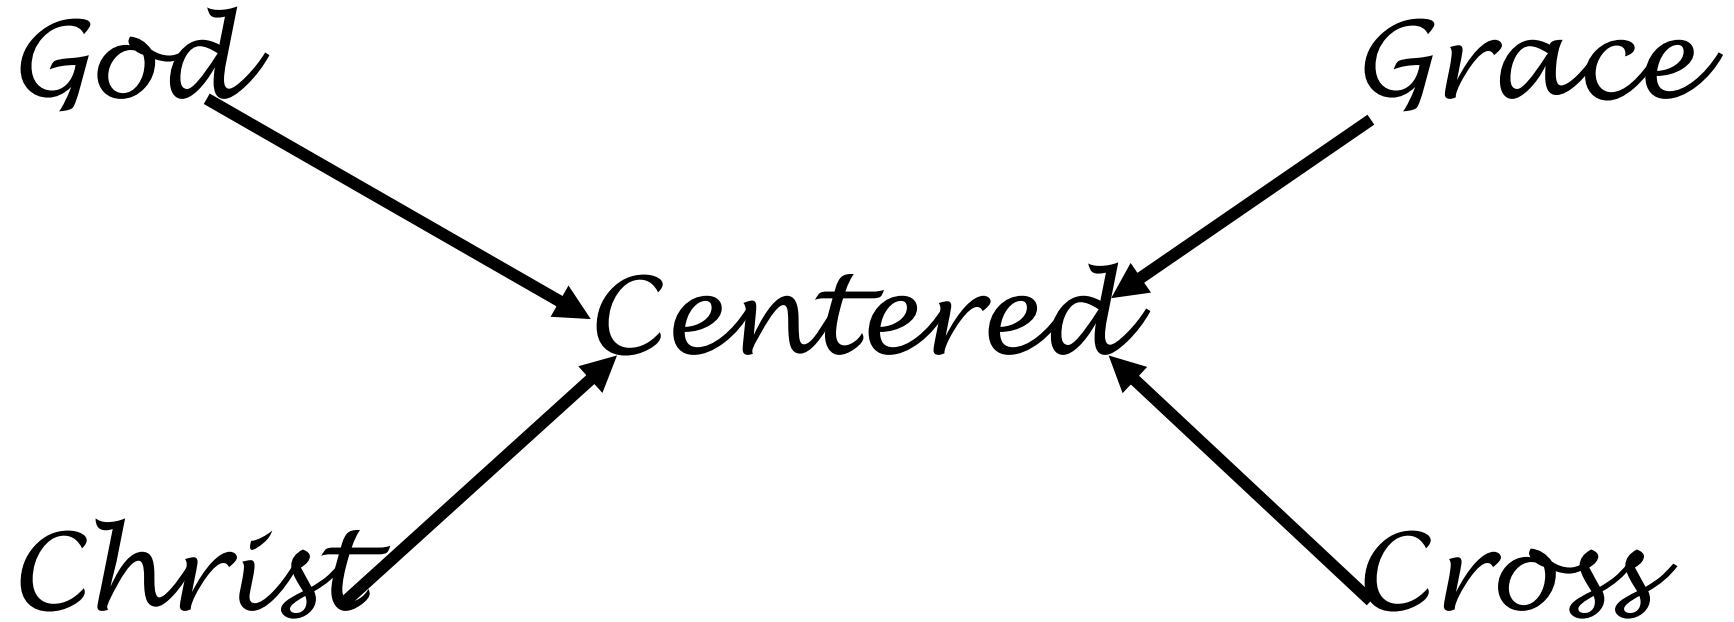

Our command from God is to preach the
gospel, evangelize, and disciple children
(vs. 5-6)

Past – Things we have heard and know
(vs. 2-3). Israel saw God's wonderous works
and didn't communicate them to their
children. We cannot make that mistake!
