

End Times/Signs Jesus Said Would Happen

My own experience with eschatology

Application – Your eschatology should be one of:

hope, victory, being alert, and anticipation

not of **defeat** and **escapism**

“End Times”

- Eschatology – study of **complete** things
- Revelation – to **Reveal**, not **Conceal** – tale of 2 **covenants**
- Read for yourself with no **newspaper exegesis**

- Themes that run through the Bible
- Temple
- Trees
- Water
- Priest/Priesthood

What Jesus said (*Mt. 24*)

- Context – talking to his **Disciples**
- Specific Notes –
 - This **Generation** (the one Jesus was talking to)
 - Quote from **Isaiah 13** (sun, moon, stars – reference to Israel)
 - Days of **Noah** (who was left behind)
 - Abomination that causes **Desolation** (*Lk. 21* – non-Jewish translation)

Our concern should be here and now!

(Mt. 25:14-30)

Talents – **Bags of Gold** – use for His **Kingdom**
