MALLOTS, MILLSTONES, and MIRACLES

We get angry or disillusioned with God when he does not fix _____ (problem) or fix _____ (people).

- We think he _____ because we _____
- Perhaps he would if his thoughts mirrored ours. _____
(Is. 55:8-9)

SKY vs. GROUND God's ways are not simply ramped up human ways, a matter of scale or volume! Earth and sky are different in **essence, possibility, and purpose**. So God can think [of] things which we cannot. His ways are those which are impossible for us even to consider. Higher does not _____. But it does mean _____.

EXAMPLE Tools vs. Weapons (period of the "Judges")

*Shamgar (3:31) *Jael (4:21) *Gideon (7:20) *Abimelech (9:52)

Point: _____ is not a matter of _____ superiority!
*When God fights on my behalf he may choose anything to be an effective weapon, no matter how strange. Actually, the more lopsided the odds or unlikely the instrument, the more proven is God's involvement! (*Zech. 4:6-7, II Cor. 10:4-5*). In fact, God is directing history toward a glorious future in which domestic tools will triumph over every military weapon! (*Is. 2:2-4, 9:4-6*)

God's "Higher" Way (Mark 11)

JESUS - donkey, enthusiastic crowd, weapons of "flower power"

vs.

JERUSALEM - fortress (Antonia), soldiers (5000), political hostility

*This contrast intensified into conflict in short order. Political will (Jews) morphed into military might (Romans). So the world's most

powerful military force slammed into Jesus! A battalion of soldiers with spotlights and spears (John 18:3). He is bound, stripped, interrogated, tortured, and executed. Really? The _____ was God's _____? YES. Jesus brought a tent peg to a sword fight. That was (and is) God's way!
