Benediction

So, quote this proverb no longer, "The fathers have eaten sour grapes and the children are punished for it." For each person is mine to judge, parent or child. The child will not be punished for the parent's sins, and the parent will not be punished for the child's sins. And if wicked people turn away from all their sins, and obey my decrees, and do what is just and right, they will surely live and not die. (*Ezekiel 18*)
