Attention Parents! Our summer Sunday school for ages 2-5th grade will look a little different this year due to accommodating our building addition. We'll be having Sunday school outside as much as possible, so please make sure your child is dressed for play! Parents should escort children to the common area near the basement bathrooms and kitchen area, then our volunteers will take them outside to the grassy area on the Allison Street side of the building for lessons and games. We'll also have a few special short bus trips to the school farm and neighboring playgrounds. Please take a moment to sign the permission slip (on narthex table) for your child to attend the off-site locations by bus. Place all signed permission slips in mailbox E-2 (Heidi Myers) by June 10.
