Great appreciation to each person who participated in some fashion in the chicken BBQ last Saturday! A total of \$1,652.75 was donated to our GUIDING HANDS Preschool. Throughout the summer, a total of \$10,172.00 has been given to various OUB ministries from the sale of Ralph’s Recipe chicken. Thank you to the many folks who have helped in so many ways! The Mac and Cheese ladies are awesome!

The Good News Club at Greencastle Elementary meets on Tuesdays

OPERATION CHRISTMAS CHILD AND OLDER BOYS -

We will soon be filling boxes for the Samaritan's Purse Operation Christmas Children Program. People enjoy filling boxes for young children as they think of the amazement of the tot receiving a gift. Some ladies have a heart to fill boxes for older girls.

Of all the boxes received, older boys receive the fewest boxes at the collection centers. During distributions, when they run out of boxes for older boys, they receive a box for a younger child.

Some of these older boys already have adult rolls in their families. Would you consider adding hammers, tape measures, pliers, and other small hand tools to your boxes for these boys? Or would you consider donating the same for others to include in their boxes?

The hammers must be no longer than 12 inches in length.

All tools must be new.

No knives or multi-tools can be included in boxes.

There will be a box under the coat rack on the upper foyer if you would like to donate.

Thanks, Tim Ressler.

A small section of the book of Proverbs (chapter 30) is known as the "sayings of Agur." Nobody knows who this dude was. But he asks some big questions and makes some astute observations. And he uses the "three/four" device to describe some sketchy situations... which deserve to be explored. So, we will! Sunday mornings during October.

*Three... or Four
There's probably more!
Examples galore!
Who's keeping score?*
