

**MALACHI 1:6-14**

**GIVE TIME**

There are endless demands on our time, so we must **MAKE** and **TAKE** relationship time.

TOGETHER TIME expresses  
the importance of marriage.

**GIVE ATTENTION**

Living together is not equivalent to  
being **aware**.

Observe. Question. Notice. Care.

Put yourself in their shoes.

Husbands, be “considerate” as you live with your wives ...” *1 Peter 3:7*

Literally = “live with them according to knowledge” i.e. Don’t just live with them but get to KNOW them.

# GIVE FORGIVENESS

To forgive is to “let go” or “send away” (*Matthew 6:14*)

Be kind ... tender hearted ...  
forgiving [literally =**giving grace**]  
one another (*Ephesians 4:32*)

This gift of grace on your part  
enables “relationship” to flourish  
rather than die.

GIVE THE **BEST** of your talent, energy, creativity, and enthusiasm.

- Give **more** than necessary.
- Give **better** quality than you give to anyone else.
- Give your **self**.

Marriage is not a noun. Marriage  
is a verb. A noun is something you  
GET. A verb is something you DO.
