(I Cor. 2:2)

Some folks claim to be "Christian" yet no evidence of this is seen in their life. The NT describes what such evidence would look like, and high on that list is the desire to "go" (to the unbelieving group) and "gather" (with the believing group). This Missions Conference weekend is about both of these. We WELCOME you and those missionaries that we support today!

*Sunday School classes will follow this worship service with classes led by one of the missionaries. A wonderful chance to interact with them!

* No Sunday evening meal this year. However, we encourage you to show up at 6:30 for our closing session. OUB folks will share about short term trips that they experienced during 2022. Pictures, laughs and prayer!

Even the polar bears are now making short term mission’s trips. From the North Pole they’ve gone to the South Pole and back. Bipolar!
