Romans 5:12-21

## **Romans 5:12-22**

1. Adam – rebellion
2. Death – result
3. Law – regulation/explanation
4. Christ – remedy
5. Grace - reversal

DEATH to many vs. FORGIVENESS to many

one sin multiplied vs. many sins cancelled

**selfishness vs. mercy**

Obligation (sin) vs. gift (justification)

death reigns vs. believers rule

sin > punishment vs. obedience > reward

disobedience made many **sinners** vs.  
obedience made many **righteous**

LAW = sin dominates vs.

CHRIST = grace dominates

# ORIGINAL SIN/DEPRAVITY

- √ Every person is born into a state of **alienation/apathy** toward God
- √ We naturally **lean toward** resistance/rebellion to the voice of God

True **REHABILITATION** must begin with **REBIRTH**

# **SUBSTITUTIONARY ATONEMENT**

√ Human reasoning is skeptical regarding one person altering the destiny of all.

√ The reality of this possibility is **proven** by **history**

\* If Adam did that then Jesus could do that!

This refutes this idea of achieving heaven  
by good works.
