Hymn #358
Benediction

Maimonides, a 12th century Jewish leader wrote an epic tome edifying the Jewish Scriptures, ruling, and oral traditions. He called it the Mishnah Torah. There he said, "Belief in the MESSIAH is a Jewish article of faith. But he will bring no signs or miracles. We have our law and the MESSIAH will not take it away or add to it. There will be no departure from the normal course of things when MESSIAH comes. All suggestions to the contrary in the [Christian] Bible are figures of speech." How joyfully we disagree with Maimonides!
