

COURAGE!

When I am walking with God

Psalms 91

PSALM 91

- bullets of my enemy will always miss me!
- trampling right over the lion and snake!

WOW!

CONDITIONS noted in Psalm 91

- I “dwell” in the shelter of God (1,9)
- I trust in God (2)
- I love and acknowledge God (14)
- I pray (“call upon God”) (15)

(10 – 13) • **protection from danger**

Some things that could happen will not happen BECAUSE of God's preventing hand.

COURAGE I live unafraid of threats!

(14 - 15) • deliverance out of danger

All things that do happen will be
limited in their **extent** so that
they will not **destroy** me.

Trouble or injury may happen BUT God's **preserving** hand will spare my life.

COURAGE I live unafraid of **consequences** [things that may happen as a result of following God's will as I understand it]

We have to be more brave than we think
we can be, because God is constantly
calling us to be more than we are!

(Madeleine L'Engle)
