Pastoral Search Update

Hello Otterbein Family – Here is the latest update regarding our search for a Senior Pastor. We initially listed the opening on the United Brethren Website but saw no response. In early December the opening was posted on churchstaffing.com, and in mid-December it was posted on job boards of several seminaries. At this point, thirteen individuals have responded to the listing. The Stationing Committee reviewed the applicants and quickly eliminated nine for various reasons. We are encouraged that the remaining four individuals show some promise. The Bishop’s office has requested additional information from these four and we expect to see responses over the next week or so. At that point the Stationing Committee will meet again to review the responses.

Please continue to pray for the individual that God has in mind to be our next pastor. And please pray for wisdom and discernment for the Stationing Committee and Otterbein’s leadership.
